FOR IMMEDIATE RELEASE

First Phase of New Homes Released at Tremont Courts in National City

Be one of the first to own a beautiful new single-family detached home at Tremont Courts by Concordia Homes®. The superbly planned community in National City will release its first five homes on May 27.

“There are only 43 homes being built in Tremont Courts and we expect them to go very quickly,” said Jeb Hall, Vice President of Concordia Homes. “We’re encouraging new buyers who haven’t already added their names to the interest list to call us and get pre-qualified right away, so that they don’t miss out on the chance to own a great home in a family-friendly, centrally located community.”

Tremont Courts combines exceptional style and function with the neighborhood environment that many new buyers are looking for. The residences’ four floorplans range from 1,353 to 1,734 square feet and include charming kitchens and luxurious master suites with walk-in closets and chrome fixtures. Well-appointed interiors feature 9-foot ceilings and plush carpeting.

Twelve distinctive exteriors inspired by Craftsman, Spanish and European architecture complement the community's green spaces, flowering shrubs and diverse plant palette. Monuments and pilasters incorporated with hand-crafted logo tiles create interesting focal points, and a central common space features a barbecue area and turf-lined children's play lot offer plenty of opportunities to relax or have fun. Just minutes away are parks, recreation and shopping.

If you have not yet signed up for the interest list at www.tremontcourts.com, please call 1-800-269-0027 to pre-qualify today.
